# HOPE FOR THE HOLIDAYS

ASSOCIATED WITH CORPORATE PARTNERSHIPS

## WHAT IS HOPE FOR THE HOLIDAYS?

An opportunity to provide additional money directly to a family in need that has been granted financial assistance from Five Points of Hope in the current year. These funds are intended to help make the Holidays more joyous and memorable after enduring the struggles associated with a cancer diagnosis.

## HOW DOES IT WORK?

Social Workers and associated cancer centers/physician's office are asked to work in conjunction with Five Points of Hope throughout the year to raise funds for the FPOH Cancer Care Fund. Those that do are entered in a drawing that takes place at the annual **A Night to Remember** event in November where there will be randomly selected centers that will receive additional grants to present to one or more families to make their Holiday memorable.

Corporate Partners will have the grants named after their organization and the opportunity to personally deliver the grant with a Five Points of Hope spokesperson to the social worker/center or recipient (*based on approval from recipient and social worker*). More information can be received from a FPOH board member.
